Course Instructor Survey - Teaching Assistant Form

50

The major objective of this survey is to aid in improving teaching effectiveness. Your responses provide valuable feedback to instructors, administrators, and other students. The results are used by administrators to make promotion and salary decisions, and responses to some of the items are also made available on the Web for students to use in selecting classes. Your responses to the questions are extremely important, so please respond honestly and fairly. Consider the semester as a whole and try not to focus on isolated incidents.

Instructions:

Please complete this form using a #2 pencil.

Complete the course information in the box to the right.

Make sure your marks are complete, as in the example.

Make sure any erasures are complete.

Course Instructor Survey - Teaching Assistant Form

50

The major objective of this survey is to aid in improving teaching effectiveness. Your responses provide valuable feedback to instructors, administrators, and other students. The results are used by administrators to make promotion and salary decisions, and responses to some of the items are also made available on the Web for students to use in selecting classes. Your responses to the questions are extremely important, so please respond honestly and fairly. Consider the semester as a whole and try not to focus on isolated incidents.

Instructions:

Please complete this form using a #2 pencil.

Complete the course information in the box to the right.

Make sure your marks are complete, as in the example.

Make sure any erasures are complete.

Comments

In many ways your written comments can be the most important part of your evaluation of the course and instructor. In the space provided, please indicate what aspects of the course content and instruction were best, how the instructor could improve his or her teaching, and how the content of the course might be improved. The instructor will receive this form after the semester is over.

Nir is an amazing TA. I think his weekly review was more helpful than the actual class. He really knows his stuff. 10/10
Thanks Nir!

Course Instructor Survey - Teaching Assistant Form

50

The major objective of this survey is to aid in improving teaching effectiveness. Your responses provide valuable feedback to instructors, administrators, and other students. The results are used by administrators to make promotion and salary decisions, and responses to some of the items are also made available on the Web for students to use in selecting classes. Your responses to the questions are extremely important, so please respond honestly and fairly. Consider the semester as a whole and try not to focus on isolated incidents.

Instructions:

Please complete this form using a #2 pencil.
Complete the course information in the box to the right.
Make sure your marks are complete, as in the example.
Make sure any erasures are complete.

Extremely intelligent and helpful. Better than the professor;
 taught c weeks' worth of material in 2 hours better
 and more clearly.

Comments

In many ways your written comments can be the most important part of your evaluation of the course and instructor. In the space provided, please indicate what aspects of the course content and instruction were best, how the instructor could improve his or her teaching, and how the content of the course might be improved. The instructor will receive this form after the semester is over.

TA for this course was extremely helpful, explaining HW problems and concepts in great deal, and hosting extra review sessions when desired by students. Nir taught class material far better than the professor, in my opinion.

The University of Texas at Austin

Course Instructor Survey - Teaching Assistant Form

50

The major objective of this survey is to aid in improving teaching effectiveness. Your responses provide valuable feedback to instructors, administrators, and other students. The results are used by administrators to make promotion and salary decisions, and responses to some of the items are also made available on the Web for students to use in selecting classes. Your responses to the questions are extremely important, so please respond honestly and fairly. Consider the semester as a whole and try not to focus on isolated incidents.

Instructions:

Please complete this form using a #2 pencil.

Complete the course information in the box to the right.

Make sure your marks are complete, as in the example.

Make sure any erasures are complete.
